

Annual Dues are \$30 per family.

{ completely voluntary }

Please send in your Annual Dues so we can continue to do fun things like have the Annual Weenie Roast and also do not so fun things like save up for a Mesa disaster.

NOTE: This newsletter is NOT paid for with community funds. It is 100% designed, printed and paid for by the good, good, good people of OceanAstro, Inc - whoever the heck they are. Oh. And the hot dogs at the Weenie Roasts are donated by those same very good people. As is Trevor Tanner at this year's Weenie Roast.
