LAW OF THE LAND ~ NEWLY ADOPTED BY-LAWS

Starcrest.

All residents of the Mesa are considered members of the Association. Dues are voluntary and are not required for membership. The dues are set at \$30 a year but if you want to pay some other amount, that is fine too. Any dues received by the MNA will be used to pursue the purpose of the Association. No board member receives any remuneration. In the past, dues have been used for costs involved with events such as the annual meeting or the annual neighborhood picnic. We will be using some of the MNA funds to finish up landscaping by the new sign and to help implement a Neighborhood Watch program throughout the Mesa.

If there are activities that you would like to see your neighborhood become involved in, you have questions about activities that affect the Mesa, you have a suggestion, or if you are interested in helping with activities – either on a one time basis or as a member of the board – please let us know. The MNA encourages you to be active in your neighborhood. ■

With the opening of Windsong, traffic patterns are changing. Be especially vigilant when driving on unfamiliar streets.
